# Lesson #1

## I AM WHO GOD SAYS I AM

We want our children to hear the counter-cultural message of the Bible, that delight is not found in following their hearts, but in fearing the Lord.

Their creator tells them who they are and how to live, so they should listen carefully to him. Other voices - friends, social media and their culture do not love them and know them as their Creator does.

We've got more on this topic on our podcasts. Listen in and carry on the conversation.

## Lesson #2

# I AM MALE OR FEMALE

We want to give our children a biblical foundation for understanding their bodies. We want them to hear that they are made by God to be male or female - this difference is built into every cell of their bodies and is part of God's good design.

During puberty our bodies grow and physically develop, but our God-given sex does not change.

## Lesson #3

# I HAVE A VALUABLE BODY

We want our children to understand how valuable and precious our bodies are because they are God's wonderful gift to us and the place where he chooses to live by his Spirit.

Because we belong to God it matters what we do with our bodies, how we care for them and how we respect other people's bodies.

# Lesson #4

## I KNOW GOD'S PLAN FOR MARRIAGE

This session explains that marriage is the faithful, loving commitment of one man and one woman for life and the only true home for sex and procreation.

God has designed it this way to help us understand his good, loving faithfulness to us.

## Lesson #5

# I HAVE BIG FEELINGS

This lesson aims to give children a framework for navigating strong feelings. We want them to see that their feelings aren't meant to own them or help them get what they want; they're there to lead us into what Jesus wants for us.

We look ahead to desire and sexuality without fear, knowing that we are both made to love and helped to act wisely.

# Lesson #6

## WE LIVE WHAT WE BELIEVE

This lesson aims to inspire children to 'go for it' as they live out their faith seven days a week. We want them to listen to God's voice and to be confident in the truth and goodness of his word.

We'll prepare them for the reality of living in a culture that rejects Christ and his call to live differently.
