MORNING ACTIVITIES

Thank you for using a Faith in Kids resource. We want to hear your feedback so we can keep improving our resources. Please use the QR code above to fill out a short form or email us at info@faithinkids.org

These suggested activities are designed to encourage the small groups to work together and to get to know each other. In several cases, each group's work is then added together into a scene or a picture that all of the children have contributed to.

Notes

Day 1

Morning Activity

Decorate the letters in the words JONAH and GOD WINS! Cut each letter from a sheet of A3 card so they are very large. Divide the letters between the groups. The letters can be decorated with coloured pens, stickers, glue and cut up paper, sequins - any craft materials you choose. Bring all the letters together and display the words on the wall.

Day 2

Morning Activity

Make a big boat using large bits of cardboard from old boxes and parcel tape. One boat creation for each group. How many group members can they fit in the boat?

Day 3

Morning Activity

Create an under the sea scene. Give each group a section of paper from a large roll, white or blue if possible. The children can draw sea creatures, seaweed, coral, starfish, etc to be coloured or collaged. The sections from each group can then be added together to make a whole scene to display.

If you have younger children in your group, it might help if you draw a few outlines for them to decorate, leaving space for them to do their own drawings if they want to.

Day 4

Morning Activity

Create a 3D cityscape using cardboard boxes. Give each group a selection of different sized boxes and some pens, paper, scissors and glue to add windows, doors and other features to their highrise buildings. Add the buildings together to create the big city of Nineveh.
